To help the government fight financial crime, Federal regulation required financial institutions to obtain, verify, and record information about the owners of accounts. Farmers and Mechanics Federal thanks you for wanting to open an account with us. As a condition to membership, you must have permanent residence in the counties of Greene, Monroe, or surrounding counties in the State of Indiana. We reserve the right to close any account should we later determine any applicant accepted for membership was not or has not become a permanent resident.
